

# ECP Post COVID-19 Initiatives

Along with harnessing existing **networks** and **projects** to respond to COVID-19, the ECPs have developed **cross-platform initiatives** to address various key areas for **post COVID-19 recovery**.

In keeping with the **ECP remit** they are committed to curating unique value and impact through **interdisciplinary collaboration**. The **key initiatives** are:

These initiatives are underscored by the **SDGs (UN Sustainable Development Goals)** and will embrace the ethos of the *Dhumbah Goorowa* (commitment to share) approach. Each project acknowledges the importance of this commitment and embeds this shared future in their remit.
